BATES

Formerly West Paris, on the G. T. Ry.
8 Miles N. W. from South Paris
and Norway

A good number from West Paris Grange attended Pomona at South Paris, Tuesday. Next Saturday, Dec. 8th, will be election of officers and an all day meeting with West Summer Grange invited. There will be business in the forenoon and a program of entertainment in the afternoon.

The remains of Maurice Cummings were brought here last Sunday morning from Boston, Mass., and the funeral was held in the Universalist Church, Sunday afternoon, with Rev. Eleanor B. Forbes officiating. Mr. Cummings was 78 years old, the oldest son of Allen T. Cummings and Eliza Bryant Cummings, who was the daughter of Christopher Bryant, one of the oldest settlers of Greenwood. He was married three times. His first wife was Mary Leonard of Greenwood, to whom one daughter was born, Mrs. Mary Dow of South Paris. His second marriage was with Alice Lane of Portland, of this union one son was born, Dr. Clinton Cummings of Harvard College, a professor of Dentistry and research work. His third wife, Mary, of Boston, to whom one daughter, Elizabeth, now fifteen years old. The greater part of his business life has been in Portland in the fruit business which was quite extensive. His later years with his last wife were spent in Boston, where they carried on a rooming house and where Mrs. Cummings will continue the business. A few years ago they bought the Daniel Churchill house, which she still owns and rents. Mr. Cummings leaves besides his wife, four brothers, Dr. Cummings of Portland, M. E. Cummings of Florida, R. L. Cummings of West Paris and A. A. Cummings of Portland, also several nephews and nieces. Mr. Cummings was a well informed man and quite a business man and had traveled some and had a large acquaintance of friends here as well as elsewhere. Because of a misstep message, few knew of his death or time and place of funeral. Interment in the family lot in the cemetery at Greenwood.

Mrs. Lizzie E. Lane, wife of the late Chester Howard Lane, died Friday morning at 3 o'clock at the home of her daughter-in-law, Mrs. Mabel Lane, tenderly cared for her during her long period of failing health. The past two years she was confined to her room and entirely helpless for the past ten months. Early in her decline she was stricken with failing eyesight until she was quite blind. This was a great cross to her as she was a very capable woman and her culinary generosity and helpfulness knew no bounds, an estimable woman, kind and a great help in the church and work or other organizations to which she belonged or community uplift. She was a member of the Methodist Episcopal Church, the W. C. T. U. and the Golden Cross. She was born 76 years ago in Andover, the daughter of Mr. and Mrs. William Adams. She married C. Howard Lane at Mechanic Falls and came to West Paris, where he was among the first traders of the place. Three children were born to them, William, who died in infancy, Chester H. Lane, Jr., who died a few years ago, and Lola, wife of Arthur Shurtliff, who died eleven years ago. Only one descendant survives, a granddaughter, Margaret Stearns Lane, who has been training for a nurse in the Massachusetts General Hospital for the past three years and expects to graduate in three or four months more. Mrs. Lane also leaves one brother, Enoch Adams, of Poland, and one sister, Mrs. Mary Bridge of Mechanic Falls, besides nephews and nieces. The funeral was held at the home Monday afternoon with Rev. J. W. Bury in attendance and the interment at Maple Grove Cemetery, Mechanic Falls. She was a great lover of flowers and was generously remembered with them all through her later life and many beautiful floral tributes from her many friends decked her bier.

Thanksgiving day was so quiet that many lost count of the days of the week and called it Sunday on the following days. Among those who were entertained were: Percy Record of Norway at Mrs. Laura Houghton's; Mrs. Annie Willis with her daughter, Mrs. Howard McKen and family; Chester Buck and family with her parents, Mr. and Mrs. G. W. Ridlon; Ella Curtis and Mrs. Maudie Curtis at E. D. Curtis'; Mr. and Mrs. Vernal Bates of New Haven, Ct., with his father, L. C. MILLETVILLE BRANCH OF UNIVERSALIST CHURCH SCHOOL

Sunday school met on November 25, with Mrs. S. I. Jackson, at 2:30 p. m. It was a stirring and very happy occasion, but the attendance was thirteen members, five visitors and one new member, Orie Parker, in the Junior Boys' Class.

Mrs. Klein talked to them on the pin plan for attendance, also told them the Thanksgiving service given in the church that morning and extended an invitation to the Christmas Service. Following pupils are entitled to bronze pins for four consecutive Sundays: Elizabeth Jackson, Eva Jackson, Melvin White, Alfred Lovejoy, Arthur Jackson, Beatrice Jackson, Eleanor Willis.

TO BUILD NEW TELESCOPE

The proposed, new giant 200 inch telescope that will be built within a few years, will have four times the power of that of the wonderful 100 inch Hooker telescope.

The mirror will be of fused quartz because the expansion is not so great as compared with glass. The concave mirror will be built nearby, at Lynn, Mass., by the General Electric Company, but the final polishing will probably be done by experts at Pasadena, Cal., where the 100 inch glass was figured, and by G. W. Ritchey.

The new huge instrument will be located near Mt. Wilson and in connection with the Carnegie Institute of Washington as is the 100 inch reflector.

Think what this means? more knowledge of Mars, of the moon and of the regions containing the 23rd, and 24th, magnitude stars!

THE "STEP-UP" PLAN

The month of December is the month generally recognized in all Congregational churches for the Every Member Canvass. This year a nation-wide "Step Up" movement is in force and gaining in strength, to increase the support of the work.

Church work, as in all other lines of business, has had increased costs but the people's yearly pledges have not increased accordingly, so this plan is being worked out to fill a nation wide need.

The plan is a simple one: persons now pledging ten cents a week are asked to increase to fifteen cents, those giving fifty cents to give sixty-five, those giving a dollar, to give a dollar and a quarter, and those giving other amounts to make similar increases.

The individual giver is the person whose "Step Up" is of essential importance, which will bring an increase into his local church, his state and the nation.
